Dear Nelson:

Thank you for your letter of December 20, 1955 forwarding Mr. G. C. Kidder Smith's proposal concerning an exhibit and book on The Architectural Magnificence of the Moslem World. I quite agree with you that this proposal has merit and deserves the fullest kind of encouragement from the Government. I think it would be preferable if it could be financed entirely from non-governmental sources as Mr. Kidder appears to believe it could be. In any event, we stand prepared to do all that we properly can do to help.

Sincerely,
